LAPTOPS FOR LEARNING
2019 / 2020 Program

OPTION ONE MOST RECOMMENDED

BRAND NEW LENOVO CHROMEBOOK

This Lenovo Chromebook has a touchscreen and 10-hour battery life with high performance specifications that are perfect for the school's ICT network, the Google educational suite and external internet access.

- $160 per year to lease / $480 to own outright.
- Option to own the device after a 3 year lease.
- Centrepay may be available for this option.

OPTION TWO

BRING YOUR OWN DEVICE.

Please check with ICT to ensure the device you are considering meets minimum requirements. Ensure the device is easy to carry, and has a good battery life. If you are considering a windows device it must be Windows 10.

OPTION THREE

SECOND HAND DEVICE

The comparitive quality and performance of the device supplied may vary as they will be sourced from our older school owned devices. However we guarantee they will be functional and fit for purpose.

- $75 per year.

OPTION FOUR

BRAND NEW HP PROBOOK

This device is for students who require higher specifications to run industry based software such as the Adobe suite (Photoshop etc.), Autodesk and more. Please contact our ICT office to see if this option is necessary. Comes with a protective case.

- $350 per year to lease / $1,050 to own outright.
- Option to own the device after a 3 year lease.

SOCIAL JUSTICE

Social Justice options are available in cases of extreme financial hardship. The comparative quality and performance of the device supplied may vary as they will be sourced from our older school owned devices. However we guarantee they will be functional and fit for purpose. Please make an appointment with a member of our Wellbeing team to apply.

TERMS & CONDITIONS

Please be aware of the terms and conditions of the PIC "Electronic Device User Agreement". Users are responsible for the device and will be charged for any damage the school deems to be malicious. Devices are supplied to students for educational purposes only. Please see the ICT office for all maintenance and repairs to ensure warranty procedures are enforced.

EVERY STUDENT MUST HAVE THEIR OWN DEVICE
