Message from the Principal

Good afternoon everyone,

We have now reached the half way mark of the school year and the end of Term 2. This term has seen great improvement in general student behavior and I am very pleased with the way the most students have responded to the concerns of our staff. I must also thank our parent body who continue to provide us with tremendous support when the need arises.

Student Learning:

I have recently spent much time over the past five weeks visiting classes and observing teachers and students in action. It has pleased me greatly to see the effort and energy around student learning that is occurring throughout the school. There is a real sense of change and improvement taking place and my conversations with students confirm that we are heading in the right direction.

Semester two has now commenced and students may experience a number of a teacher changes. These changes may occur due to new subjects that child is studying or changes to their Learning Bands in Middle School.

Year 12 Students:

Our Year 12 students are very busy at the moment. The Senior Centre is a hive of activity and again, I have been impressed by the determination of these students to achieve highly. The upcoming holiday period is an important time for these students and whilst some rest is important, Year 12 students need to commit themselves to a solid study load over the next two weeks. Year 12 students only have one full term of learning left. Their efforts for the next 12 weeks will significantly influence their final end of year results.

Staffing News:

This semester, we welcome back Allira Quinton and Olivia Smith from parenting leave. Steve Hughes also returns on part time basis initially from illness. Paul Paris will also return to work at the start of Term 3. We also thank Nigel Major-Henderson, Harlan Maple, Barry Williams and Mark Prokopec for contribution to student learning at Playford International College. I would also like to thank Nick Birch for his excellent leadership of the Middle School during Paul's absence.

Student Attendance:

Student attendance for Semester 1 has around 80%. This is still well below the expected 90%+ attendance target for every student. Female attendance at Year 10 and Year 11 is of most concern, averaging around 64%. I again seek the support of parents and students to make attendance at school their highest priority. To miss just one day per week on average over a school year, results in missing a full term per year and 1½ years of schooling across Year
8-12. Put simply, your child will not complete school successfully, with the skills needed to gain successful employment, unless they are attending school every day.

Semester One attendance patterns for all students (whole school) are:

<table>
<thead>
<tr>
<th>Attendance Rate</th>
<th>Student Number</th>
<th>Percentage of Students</th>
</tr>
</thead>
<tbody>
<tr>
<td>100%</td>
<td>14</td>
<td>2%</td>
</tr>
<tr>
<td>90%+</td>
<td>262</td>
<td>34%</td>
</tr>
<tr>
<td>80%+</td>
<td>164</td>
<td>21%</td>
</tr>
<tr>
<td>70%+</td>
<td>102</td>
<td>13%</td>
</tr>
<tr>
<td>60%+</td>
<td>67</td>
<td>9%</td>
</tr>
<tr>
<td>50%+</td>
<td>50</td>
<td>7%</td>
</tr>
<tr>
<td>40%+</td>
<td>38</td>
<td>5%</td>
</tr>
<tr>
<td>30%+</td>
<td>22</td>
<td>3%</td>
</tr>
<tr>
<td>20%+</td>
<td>16</td>
<td>2%</td>
</tr>
<tr>
<td>10%+</td>
<td>18</td>
<td>2%</td>
</tr>
<tr>
<td>10% and below</td>
<td>9</td>
<td>1%</td>
</tr>
</tbody>
</table>

Pleasingly, 36% of all students have an attendance rate of 90%+. 50% of students have an attendance rate of between 50% and 90%. By attending school more consistently, the learning results of these students will improve naturally. 14% of our students are attending less than 50%. This is unacceptable and these students have little chance of success as adults. They are destined for a life of poverty and welfare dependency. I cannot say it enough, your child's attendance at school is directly a parent's responsibility.

Personal Laptops:
There are now more than 240 students using their own laptop for learning at school each day. I would like to remind parents that it is a school requirement that every student has a personal laptop or notebook for learning. The school provides a number of low cost options for families or alternatively, you may source your own laptop or notebook. If your child doesn't have their own device, can I please impress upon you the important to purchase one as soon as possible. Please contact our IT department for further support if required.

School Board:
I am very pleased to announce that we have almost filled all positions on our School Board for the first time in many years. At our recent meeting, we welcomed Lee Oldenwalder (Member for Little Para) and Glenn Docherty (Playford City Council Mayor) as the newest members of the School Board. I am also pleased to announce that Rebecca Baker is the Chair of our School Board for 2016. We still have two positions vacant on the Board. Please contact me at the school if you are interested in joining this important body of our school.

School Redevelopment:
Stage 3 of the school's redevelopment has now commenced. During this stage, Swanbury Penglase (Architects) is working with staff to complete the fit out and finish to each area of redevelopment within the school. This process will take 6 weeks. Following this process, tender documents will be developed and the project will go out to tender late in Term 3. The project is on track to begin in February, 2017. It will take a full year to complete and next year, the school will resemble a construction site. We have also developed plans for the upgrade of the school's Student Service and Administration areas. Swanbury Penglase has been contracted independently by us to develop the concept plans for...
these projects. This is to ensure that any proposed changes to these areas match the overall redevelopment plans for the school. Redevelopment in these two areas is being funded by the school.

Minister’s Visit:

On Tuesday, 23rd August the Hon Susan Close, Minister for Education and Child Development will be visiting our school. A number of other dignities have been invited to attend the visit during which, the Minister will address our Senior School students and view a number of areas that have been earmarked for redevelopment.

End of Term Arrangements:

Term two will finish Friday, 8th July at 2.40pm. Term three will resume on Monday, 25th July. Please enjoy a safe and restful mid-year holiday break.

Quote of the Week:

“You only live once, but if you do it right, once is enough.”

_Mae West_

Regards,

_Rob Knight - Principal_

---

Playford International College Uniform

Playford International College is committed to providing the best learning environment for our students. It is an expectation that all students will wear the correct school uniform during school hours and when engaged in school activities out of school hours, unless directed by a member of staff.

As a school community we believe that a uniform provides:

- Students with a sense of pride in presenting a positive image.
- Students are readily identifiable from outsiders who enter the school grounds.
- A school uniform encourages equity as all students wear the same clothing.

Beginning Term 3, Playford International College will be having ongoing uniform compliance checks. If your child requires any items of clothing, please visit the Uniform Shop. Financial support is available if required. We acknowledge that this year we have had supply issues. From Term 3 Week 1, jackets will be available and jumpers are available now upon request.

We would like take this opportunity to highlight key points of the Uniform Policy:

- Pants (black) must be cargo or business style (Not acceptable - leggings, jeans, pants with logos or markings or pants inappropriately sized for the school environment).
- Jumper / Jacket - Playford International College / FECHS are acceptable.
- Phones and headphones are not to be used within the classroom, unless for an educational purpose.
- Hats are encouraged when outside (Sun protection) but must be removed inside buildings.
- No other clothing is to be visible underneath the school uniform.
- School uniform must be worn the correct manner it was intended, it must be clean and in good repair (Items purchased from the Uniform Shop can be repaired through the Uniform Shop).

The Uniform Shop provides loan items to students ensuring compliance with the Uniform Policy. Failure to comply may result in further consequences, such as lunchtime detention or removal from general classrooms to work independently. A single occurrence of non-compliance must be accompanied with a note from a parent/caregiver (signed and dated) stating a reason, and the student will be required to borrow the item from the Uniform Shop. A note from a parent/caregiver does not automatically exempt a student from further consequences if, in the opinion of the Principal, the reason or duration is unacceptable.

Early in Term 3, the Uniform Committee will review the Uniform Policy. Students, parents/carers and staff are encouraged to join the committee by contacting Leanne Reynolds. The Committee will consult and make recommendations to the School Board.

Special Interest Music Centre Report

The highlight of the Term 2 Music Calendar was the participation of the Playford International College EPIC Stage Band in John Morrison's Big Band Blast Jazz Festival held in Port Macquarie from Friday May 27th to May 30th. More about this amazing event follows this report.

On Wednesday June 1st the Year 11 Recital Night was held in G20. Students confidently performed their Solo Performance and Performance Special Study repertoire, and the Vocal Ensemble also performed 3 pieces. The overall standard of performance was very high and students are to be congratulated on their preparation for the recital. Congratulations also to Year 9 and 10 Solo Performance students for presenting their repertoire at their Recital Night held on Thursday June 16. All performances were confidently presented and of an exceptionally high standard.

Auditions for the SA Primary Schools Festival of Music were held in the Music Centre on Wednesday June 8th. Congratulations to the Stage Band (3 concerts), Vocal Ensemble, Wind Ensemble and Jamie Groom for their selection as assisting artists for 2016. They will be performing on the Festival Theatre stage in September.

The Primary Music Hub mid-year concert was held on Tuesday June 9th to over 100 parents, family and friends of students participating in the program. Congratulations to all the students who performed so brilliantly and thanks to the Playford International College Music staff, IMS staff and HPI tutors for their invaluable contribution to this concert. And a very special thank you to the Primary Music Hub manager, Mrs Trenbirth for her fantastic organisation of the event. A more detailed report is included in this newsletter.

The Wind Ensemble and Classical Guitar Ensemble presented a concert on Tuesday 21 June for students from Elizabeth South Primary School and the beginner students who are in our Primary Hub. The visiting students were really enjoyed the performances, and some students were so inspired to learn an instrument they have now joined our Primary Hub program which is held every Tuesday.

Students in the Wind Ensemble are busy preparing for their first time participation in the Victorian School Music Festival which will be held in Melbourne on Tuesday July 26 and Wednesday July 27. Under the expert direction of Mrs Trenbirth the ensemble will be performing 10 minutes of repertoire at the Hawthorn Arts Centre. We wish them every success in this exciting national event.

Big Band Blast

The Playford International College EPIC Stage Band has once again participated in John Morrison’s Big Band Blast held in Port Macquarie, NSW. Only 30 bands are invited to participate from across Australia and NZ, and the EPIC Stage Band with 15 students from Years 8 – 12, accompanied by Ms Leahy and Mr Birch, was again the only band from SA. We stayed in fabulous cabins right on the river front at the picturesque Sundowner Tourist Park, which was a short walking distance to all the events programmed over the weekend.

We performed at the Grasshouse Stage on Saturday morning, one of 4 stages set up around the town for Bandamonium. The Stage Band prepared 9 pieces to a very high standard for this gig and played for around 45 minutes. A special thank you goes to Eric Dunan, Jazz Director at the Wollongong Conservatorium of Music, who sat in on second trumpet with us. The crowd was very appreciative of our performance and quite a few came up to us afterwards to express how impressed they were.

That afternoon we attended a recording session at the Ross Studio, in The Glasshouse Arts Centre to observe the often involved and time-consuming process of successfully recording a big band.

On Saturday night we were treated to a Motown Funk concert featuring Lionel Cole and the 3B Horns with John Morrison and Ed Wilson, composer/arranger and co-founder of the hugely successful Daly Wilson Big Band. The concert also featured Nic Jeffries with the 3B Horns, who is an accomplished singer and tenor sax player, and a recent contestant on The Voice 2016.

Our own Jamie Groom was invited on stage to sing a couple of Ed Wilson's arrangements, and quickly impressed not only the large audience, but also Ed Wilson, Nic Jeffries and Jacki Cooper with her amazing vocals. An extremely proud moment!

On Sunday morning all the musicians participating in the jazz festival, together with some locals, took part in a festive New Orleans-type Street Parade, with over 500 musicians marching along the riverfront, all playing the same songs. It was certainly a fantastic sight and wonderful musical experience for everyone!

In the afternoon we attended a workshop in The Glasshouse on Big Band Performance with Tim Crow, and enjoyed the Finale with John Morrison and Ed Wilson with the Blast All Star Big Band.

Students were able to see many high quality band performances and international artists, as well as perform to a diverse audience and experience being part of the wonderful Port Macquarie community for a few days.

Congratulations to all students on their fantastic performance and a big thank you to Mr Birch for his invaluable support throughout the trip.

Janice Leahy
EPIC Stage Band Director
4 students and 2 teachers from Woodville High School and Playford International College have been invited to attend Space Camp at the US Space and Rocket Centre in Huntsville Alabama, USA this July.

The Northrup Grumman foundation has provided scholarships for Kiara Presley, Tyson Evans and Sue Elderfield from Playford International College and Ashley Tong, Piper Harvey and Samuel Tuffnell from Woodville High School to attend Space Camp. This is the eighth year that the Northrop Grumman Foundation has funded Space Camp® scholarships and the second time Australian students and teachers will participate in the program.

“Scientists, engineers and mathematicians are critical to the future of Australia,” said Ian Irving, chief executive, Northrop Grumman Australia. “We are particularly committed to working with students and teachers from diverse backgrounds to support science, technology, engineering and math (STEM) training and ensure that all Australians are able access the critical skills that will empower them to succeed in the jobs of the future.”

“We are thrilled to be able to extend the Space Camp experience to teachers and students in South Australia, where STEM skills will be central to the state’s future jobs and growth,” Irving added.

Students will participate in activities such as building and launching rockets, utilising astronaut-training equipment and conducting a simulated space shuttle mission. Their teachers will attend the Space Academy for Educators, a program designed to provide teachers with the tools to enhance how they use STEM concepts in their classrooms.

The scholarship recipients were recently invited to Canberra to accept their scholarships. Whilst there visited some of Canberra’s significant sights including Questacon, Tidbinbilla and Mt Stromolo observatory.
Weekly Sport - Netball

During Term 2, four netball teams across Year 8, 9 and 10 have been competing in the Weekly Sport Competition. The 8/9 Boys team showed great determination each week, playing against extremely tall opponents. The Year 8 Girls team demonstrated improvement of the skills they have been learning in the Netball Academy in some tough matches.

Our Year 9 and 10 Girls teams were successful across the season only losing one game, which saw them both make it into the Grand Final. The Year 10 Girls lost by one goal in a nail biting game against Temple College. The Year 9 Girls lost by 8 goals in a highly skilled match against Paralowie. Both teams showcased their talent, teamwork and sportsmanship, proudly representing Playford International College.

Great work to all students involved!

Ms Dissinger & Ms Faulkner

PAL Centre News

On Tuesday the 21st of June the FLO students held an art exhibition for public display. The students prepared their art work and organised tea, coffee and finger food for the guests. Many guests were impressed with the display and the manners of the students. Some students’ art work was even sold for great prices.

Thank you to everyone who came along and helped on the day.

FLO Team

Stage 1 & 2 Supported Learning

The success of the Stage 1 and 2 Supported Learning Language and Culture project in improving the Uleybury School Museum at One Tree Hill was a collaborative effort amongst four faculties of the school: Supported Learning, Technology, Flexible Learning Options and Arts. Teachers and students joined hands in completing a sampler (cross stitch), table, signage and puppets that were displayed in the museum's shed.

On the 6th of June 2016, the Supported Learning students performed a variety of activities at the school museum such as sweeping and dusting, displaying students' projects and artefacts, dismantling and removing old models and lifting/moving old models and raking up leaves in the carpark.

The culminating activity was momentous because Principal Mr Knight, Playford Heritage Coordinator Daina Pocius, and the museum caretaker Phil Squire, were on hand to listen to the students' experiences and achievements in the project. The students received a "Playford Thank You" bag from Ms Pocius as a gesture of her sincere acknowledgement for their active involvement in their local community.

Students' feedback

"The activity was about helping clean the shed and museum. I give myself a score of 4 out of 5 for my efforts. I thought the activity was great. I loved it. I really enjoyed it. It was really a good day. I would like to go back there sometime. I would like to thank Mrs Corpuz for taking us there.

Sabrina Salter"

"I was proud to help the community in displaying what our class had made for future school visits. I hope they enjoy the arts we did.

Michael Harris"

"I helped displaying the art work in the shed. I thought it was awesome because I got to help cleaning and raking leaves in the car park. I also helped Phil cooked the sausages. I give myself 5 out 5 for my efforts.

Joanna Mccreight"

"The excursion was great because it's something new. I was proud to help the community by improving the museum.

Samuel Bayukhin"

CRISTINA CORPUZ AND MICHELE WALTER
Supported Learning Teachers

Year 10 BECC Food Sale

The wet and cold day was not a hindrance for Year 10 BECC students to carry out their most awaited day – The Food Sale. Wraps and soft drinks were sold at affordable prices. Teachers and students loved the wraps: Tandoori, Spicy and Vegetarian.

The Year 10 BECC students who were present on the day had a variety of experiences: working with a Chef, preparing wraps, cooking chicken, getting orders, distributing orders and looking out for those who wanted to serve themselves for free.

It was a hectic day for every member of the class but it was enjoyable.

Students' feedback:

"The activity was making a bunch of wraps for people to buy. It was good making the base of the wraps and dealt with the orders. I give myself 5/5 for my involvement because I did three different jobs all with good results. I believe it went very well and was very productive.

Christopher O'Toole"

"On the day our goal was to make and sell wraps for Year 10 BECC class. We prepared 350 wraps. As a member of the team, I had to help cook the chicken, prepare the wraps and helped serve the customers. I thought I did good, giving myself 4/5 for my efforts and involvement. I thought we did an amazing job during the Food Sale. It went pretty smoothly and I really enjoyed it on the day.

Liam Booth"

"I cooked the chicken on the BBQ while the others made salads then they wrapped them up. The wraps were served for $2.50 each. I made sure no one stole the soft drinks. I give myself 5/5 for everything I did. Everything went very well.

Anthony Divola"

Global Studies Teachers
Adelaide North Primary Music Hub- Mid Year Musical Matinée Concert

On Tuesday June 7th the Adelaide North Primary Music Hub held its 2016 Mid-Year Musical Matinée Concert in the Special Interest Music Centre at Playford IC.

Students from both the Junior and Intermediate sessions performed a variety of repertoire in the concert that they had been learning and rehearsing since they began their lessons in week 4 of Term 1. The concert incorporated music from many eras, including jazz, classical, folk, rock, pop and some great hits from the 70s.

The concert involved the following ensembles:
Rock Tooters Orchestra – Intermediate Orchestra
The Golden Guitars – Junior Guitar Ensemble
Awesomely Fabulous Flutes – Intermediate Flute Trio
Highly Strung Strings – Intermediate String Ensemble
Triple Threat Trumpets – Trumpet Trio
Little Band Rockers – Junior Concert Band
The Strummers – Intermediate Classical Guitar Ensemble
The Little Fiddlers – Junior String Ensemble
Rock Trio – Intermediate Rock Ensemble
Crazy Comets Concert Band – Intermediate Concert Band

The concert finished with our ALL STARS CHOIR with our Junior and Intermediate students combining to sing a mash-up of ‘Be Brave’ & ‘Roar’.

CONGRATULATIONS to all students involved in the concert. You are AMAZING!!

There was also a presentation in the concert from the work students have been doing in their Practical Theory sessions, with a focus on ‘Instruments of the Orchestra’

Some work included:
Solo Performances by the Year 7s – performing on the instrument they are learning and displaying their skills they have developed in the Primary Music Hub program
‘The Day the Orchestra went to the Zoo’ – the students are writing a story book and creating a soundtrack on Mixcraft to go with the pictures
Instruments of the Alphabet – an instrument and sound recording for every letter of the alphabet, an awesome effort by the students.

The concert was well attended by parents, carers, grandparents, friends, and teachers, and they were treated to an outstanding and professional performance from our Primary Hub students. They are now working towards the End of Year Music Concert held at the Shedley Theatre on November 15th.

Thanks must go to our Playford IC Music staff and Instrumental Music staff for their fantastic work and support of the program in working with these students and preparing them for the concert. What a great team effort and it is very much appreciated.

A special thank you is extended to the parents and caregivers of our Primary Music students. Your support in the program is fantastic.

Congratulations also to our Intermediate Orchestra and Concert Band who auditioned for the Primary Schools Festival of Music the following day. A brilliant effort!

Nicole Trenbirth
Primary Music Hub Manager
Pedal Prix

Our school competed for the first time as Playford International College on Sunday June 19. The students were absolutely amazing all day, extremely helpful, respectful and raced with great spirit. The day was a great success with all three cars completing a total of 385 laps (525kms). We had great success with Team 1 coming 8th overall for the day, which is an outstanding achievement to finish in the top 10, completing 166 laps (233.8kms) in 6 hours. We also had our school Lap record beaten, completing a 1.4km track in 1 min and 39 seconds, with an average speed of around 63kms.

Overall it was a great day, having finishing 8th, 54th and 150th overall out of 161 schools is an amazing effort and shows how committed our students are becoming in the program. I would personally like to thank all the staff that are involved in Pedal Prix and helped out on both Saturday and Sunday and for all the staff who came down, students absolutely love the support on the day!
