## ...every student should have a device

- These are the terms and conditions which are outlined in the full Laptops for Learning Program document.
- The full document includes spaces for Students and their Parents / Caregivers to enter their names and signatures.
- It is an electronic document which can only be filled out when visiting our school when you sign up for a computer.

### LAPTOP OPTIONS

#### OPTION 1 – Total Cost \$480

Lease a Chromebook for 1 year at a yearly cost of \$480.

At the end of the 1 year lease you will own the device.

- If you choose this option you are committing to buy the device for \$480 over the course of 1 year.
- Centrepay or part payment through the school may be available via a signed agreement if required.

#### OPTION 2 – Total Cost \$480

Buy a Chromebook outright for \$480.

You will own the device immediately.

- If you choose this option you are committing to buy the device immediately for \$480.
- There is NO time payment scheme necessary for this option.

#### OPTION 3 – Bring Your Own Device (BYOD)

Of course students may already have a device.

- We do our utmost to ensure that any computer a student may have access to is usable on our network. Many devices are available from a wide range of retailers in a wide price / quality range.

### TERMS & CONDITIONS

- A device will be issued and / or permission granted to use the PIC network only after the lessee has read, signed and returned both the "Electronic Device user agreement" and the "Acceptable Electronic Device use Policy".
- Selection of option 1 or option 2 means you have made a commitment to fully pay for that option.
- The lessee will be financially liable for any repairable or irreparable damage to devices or lost devices which are either fully or partially owned by the school.
- All devices are supplied with chargers. The lessee will be liable for any loss or damage to the charger.
- If a student leaves PIC before a device is fully paid off, the device will need to be either returned back to PIC, or paid out in full.
- All costs will be to the full value of the device, minus payments already made.
- Any "Original" device in the care of the ICT office which has unpaid charges must be reclaimed within 4 weeks, otherwise it may be re-purposed.
- All fees are legally recoverable.
- The make and model of the Laptop device offered will vary depending on availability and cost.
