Dear families/carers,

Re: Year 10 Personal Learning Plan (PLP) - roundtable discussion event

On **Tuesday 31 May 2022**, our year 10 students will be required to attend a prescheduled appointment, to present their *PLP Task#4 – Roundtable discussion reflection*. We invite family members and/or friends to join their young person and enjoy hearing how they have personally grown in the last semester.

On the day, students and families attend a 15-minute appointment, where the student completes a five-minute presentation. Students will use a PowerPoint, or similar digital presentation, to demonstrate their progress and will be assessed against three standards, specified by the South Australian Certificate of Education (SACE). We will also ask families/friends to provide some feedback through a comment sheet provided.

We ask that students arrive five minutes before their scheduled appointment, to locate their designated classroom and follow sign-in procedures. Students must wear full uniform on the day. **Year 10 lessons will be cancelled for this event** – students are only required to attend the appointment.

The appointment can be made through the **School Interviews** program, via a link or QR code that will be sent out, through the Compass portal on Thursday 19 May. We ask you book with your student's PLP teacher unless they are fully booked. Please see the table below for buddy teachers, of fully booked teachers.

PLP group	Teacher	Buddy teacher for fully booked teachers, as they have two classes.
PLP A	Catherine Norris	Katie Woodrow and Mitch Asser
PLP B	Samantha Tennant	Katie Woodrow and Mitch Asser
PLP C	Cristina Corpuz	
PLP D	Catherine Norris	Katie Woodrow and Mitch Asser
PLP E	Tracy Moore
