PLAYFORD
INTERNATIONAL COLLEGE

9 August 2023

Dear parents and caregivers,

Course confirmation for the 2024 academic year will take place across the week starting August 21 for all students in years 10-11.

Each year level will be on separate days* and there will be **no scheduled classes on the day for that particular year level** (see schedule below). It is compulsory that students meet with a member of the course confirmation team on this day.

Current Year level	Date	Meeting Location
11	Monday August 21	Library
10	Tuesday August 22	Library
9	Wednesday August 23	Library

*If you have students across multiple days, you're welcome to book in on the day where you have the most senior student, e.g., if you have a year 11 and year 9 student, please make a booking on the Monday for both.

Parents and caregivers are an important part of this process and we appreciate your attendance to discuss your child's subject selections. Prior to the course confirmation meeting, our students will complete their selections on the online portal. We encourage our students to talk with their parents/guardians about their future pathways and selections. Our students should then provide you with a receipt outlining their choices for you to sign. This signed document should come with you and your student to the course confirmation meeting to further discuss choices made. If you have concerns about the choices made we are happy to discuss these on the course confirmation day.

On the day for year 10 and 11 students, we will also have staff available to discuss Vocational Education Training options (VET, i.e. trade pathways). See the guide at the end of the letter to book into a session with one of our VET team.

Bilingual SSOs can also be booked to assist with these meetings. Please see below for schedule:
